Kyla Miller Foundation's
2ND ANNUAL GRAPES OF WRATH:
STOMPING OUT PEDIATRIC BRAIN CANCER
 benefitting
PEDIATRIC BRAIN CANCER RESEARCH

Dear Business Partner and Guests,

Kyla Miller Foundation is pleased to present our 2nd Annual GRAPES OF WRATH: Stomping Out Pediatric Brain Cancer event – a wine, cheese and chocolate tasting event with three levels of Chinese auctions at Hershey's Chocolate World. Proceeds from the event benefit our mission to end pediatric brain cancer. We are seeking sponsors and participants to support the event. The cost of the event is underwritten by the entrance fee to participate in the wine tasting. Therefore, any monetary donations go directly towards our efforts to build a dedicated pediatric neuro-oncology research department at Penn State Children's Hospital and Cancer Institute. Donations of

merchandise and gift certificates are also welcome to support the auctions. Most importantly, monetary donations are tax deductible.

Please consider being a sponsor for this event. No matter how large or small your donation is, every dollar is greatly appreciated! Contact us by phone (717) 259-9742, e-mail (info@kylamillerfoundation.org), or complete the form below and return it to the address listed. Material donations are respectfully requested by March 12, 2011, so that we can coordinate auction items, list you in our event program and advertise your name or business on our website.

If your company has interested participants, please contact us for details, or check out our website at www.kylamillerfoundation.org/wine.html for the event information and online registration. Tickets are limited and are on a first-come first-served basis due to availability of wine samples. We would love to have you join our event! Consider having a "date night" with your spouse or significant other, or a "girls' night out"! And help us raise money for this much needed cause. Since we began our journey with Kyla Miller Foundation almost four years ago, there are still no life-saving advances for the kind of cancer that killed Kyla Miller. Must be 21 years or older to participate. NOTE: Online payments have a small handling fee applied at checkout. No handling fee for payments made by check and mailed to KMF.

About Kyla Miller Foundation - Kyla Miller Foundation is a Pennsylvania state registered non-profit organization joining in the fight to end pediatric brain cancer. KMF is named lovingly after Kyla LeeAnne Miller, a loving and vibrant child who succumbed to glioblastoma multiforme just two days shy of her tenth birthday.
